Languages and Technologies

· Javascript, HTML, CSS, REACT
· GIT, Github, NPM, Bootstrap

PROGRAMMING EXPERIENCE

Tiles by PAC
https://tilesbypac.netlify.app/

· I played an integral role in the design and development of a responsive landing page using React.
· Through effective communication, I provided regular project updates and actively solicited feedback, facilitating continuous improvement throughout the development process
· I employed industry-standard version control practices, leveraging Git and GitHub to effectively manage the project's codebase.

Food to door (2024).
https://food-to-door.netlify.app/

· Developed a web-based platform enabling users to search for meals.
· Utilized React hooks to manage state and improve code maintainability.
· Implemented backend functionality to interact with external APIs, facilitating ingredient retrieval.

Sportswear store (2023)
https://jetsportswear.netlify.app/

· Utilized React to build an e-commerce platform, demonstrating proficiency in basic functions.
· Actively engaged in self-directed learning activities to enhance skills in frontend development.

EDUCATION

Udemy course The Complete 2023 Web Development Bootcamp

· Online bootcamp through Udemy specializing in Javascripit concepts and the basic introduction to React, HTML, and CSS.

ADDITIONAL EXPERIENCE

· **Mail Carrier (2016 - Present)** : Utilized efficient sorting techniques to streamline the mail delivery process. Effectively communicated with customers to resolve issues and ensure timely delivery of mail. Demonstrated adaptability and strong teamwork skills while implementing safe working processes.
· **EMT volunteer (2012 –2015):** Developed strong problem-solving skills through rapid assessment and response to diverse medical emergencies, showcasing an ability to think critically under pressure.
· **Restaurant Experience:** Assisted in training new team members, providing guidance and support to facilitate their integration into the restaurant team, highlighting leadership and mentorship abilities.
